

MOPAR EXPRESS

Merry Christmas

Presidents Report

2022 came with our club members questioning the start up after Covid, our first meeting gave us all the confidence we were all wanting to kick our club into gear, and what a year it became.

We were all a little rusty, but with guidance from Ray, the rest of the executive team keeping proper rules and procedures in place and the support of 100% of MUCC members, we turned this year into a total success.

Our membership almost tripled, we raised one of our largest charitable donations ever, had a very successful Mopar Madness and wasn't our Christmas party great?

Your executive is planning more events for 2023 with garage tours planned with other car clubs to make us all stronger and have more fun.

Langley Chrysler has asked us to attend their first charity show for the food program at Mountain High School which will be held on June 3rd on a field not far from Costco.

I see a more improved Mopar Madness, now that we have a new show format as we smooth the edges and organize members. We will be doing a 50/50 draw plus our raffle to raise more money on July 9th, 2023.

I wish everyone Happy Holidays and the very Best in the New Year. I am excited to see members new rides coming out in the spring.

Our next meeting is Feb 15th.

Garry Keay
